

UPDATE - Phlebotomy service (Blood tests) for Fairfields / Forest / Highgreen Patients

Phlebotomy is not part of the core GP contract and [Nottingham and Nottinghamshire Integrated Care Board \(ICB\)](#) commission the phlebotomy service for Fairfields / Forest / Highgreen Patients.

From 1 August 2022 the ICB has asked the practices to refer and book appointments for patients to attend for a routine blood test at GP+ Nottingham.

Blood tests at GP+ Nottingham are for patients who are aged 12 years or older. The GP+ Nottingham City service is located at 64 Long Row, Nottingham NG1 6JE. This is also known as the Angel Row entrance, next to Tesco Express.

If you have any issues / concerns about the commissioning of phlebotomy service, please contact [ICB Patient Experience and Complaints](#)

You may also wish to contact your local Councillor / MP (contact details below) to highlight the need for a local phlebotomy service at Mary Potter.
